Modified Text

Changes to the originally proposed language are shown by double underline for new text and underline with strikeout for deleted text.

Amend §1314.1 in Article 4 of Chapter 1 of Division 13, Title 16, California Code Regulations to read as follows:

* * *

(f) Any recognition of an institution's resident course of instruction leading to an M.D. degree shall be prospective from the date of site visit evaluation the division deems is appropriate based upon the information contained in the site visit report if a site visit is required, or from the date on which the Division recognizes the institution. Except as provided below, Any education obtained prior to that date shall not be accepted toward licensure. Unless the institution was previously disapproved by the division, education obtained at the institution prior to recognition by the division may be evaluated, as provided in section 1301, on a case by case basis where an applicant has satisfied the requirements of Section 2135.5 of the code.
